Target and Benefits for Supreme Host

1. **Extra bonus**, Supreme host is Mika high quality content producer and representing Mika image to Mika society, for that she has chance to get extra bonus in above table when having complied the corresponding target by following requirements of Supreme Host (Only effective D or higher-level Supreme host can get bonus).
2. **Higher recommendation**, once selected host will be added Supreme Tag and will be listed in hot page with higher recommendation during one month till release of next month Supreme list.
3. **Promotion requirement on personal social media**, Supreme host is required to post at least 5 times a month on personal frequently-used social media (Facebook, Instagram, Twitter, etc) for promoting Mika, including but not limited to personal live room link, Mika download link, platform event promotion.

Selection

1. **Limited quota** The number of supreme hosts is limited for India, (Bangladesh/Sri Lanka) which is also flexible according to Mika general management.
2. **Publication** Before 5th of every month Mika Official is going to announce selected Supreme host list in agency service group.
3. **Interview** to Supreme hosts for next month will be carried on and coordinated through agency BM till last day of the current month. Agency manager can recommend good looking, talented, communicative, popular and influential young female hosts to BM for coordinating interview time in advance. Mainly Mika only interviews and selects female and male hosts with outstanding talents or specialty.
4. **Selection criteria**
 - a. Interview performance including appearance (which is the main criterion), diamond income, broadcasting skills, camera feeling, room popularity, gender confirmation (basically must be female), cover photo, internet condition etc.

- b. Supreme host in previous month who has completed requirements of hours, days and diamonds simultaneously with good performance and no violation records shall continue to be Supreme Host for the next month without interview.
- c. Agency of supreme hosts must have at least ten (10) effective hosts (Effective hosts are those whose monthly income is more than 11000 diamonds on the basis of MIKA POLICY FOR SOUTH ASIA).

Veto terms - Supreme candidate who is in any one of the following circumstances will be disqualified in interview:

- a. Have violation records against Mika Community Rules.
- b. Supreme host in the previous month whose tag has been removed because of not following the requirements like showing black screen/ no full face etc will be disqualified from the selection for next 2 months.
- c. Supreme host in previous month who has not reached 70,000 diamonds target level will be disqualified from the selection for next 1 month.
- d. Broadcasting in other competition app which is clearly forbidden by Mika official.

5. Monitoring and Removal

Mika official team will check all selected and tagged hosts, please guarantee high quality broadcast. Violation of any one of following items will lead to tag removal and immediate disqualification from Supreme host plan

- a. Any violation of Mika Community rules
- b. MikalD is used to broadcast on live by another different person not host himself/herself.
- c. Turn off camera or use voice model for game broadcasting
- d. Black screen and cover camera with any subjects
